AIPHONE

DB Series
Single and Multi-Tenant Entry Security System

Residential and Commercial Applications

Components

Superior audio system
Replace existing audio systems with less wires and a larger capacity.

Access control
Provide entry security for up to four tenants sharing a common entrance.

Visitor screening
Safely and conveniently speak with visitors to determine their intent before unlocking the door.

Replaces doorbell, easy to install
Reduce installation costs by using existing doorbell wire. No doorbell? *No problem!* The system only requires two wires, making installation a snap!

Door release powered by system
Have the convenience of door release without needing to purchase additional power.

Simple to use
Answer calls and unlock the entrance with simple, intuitive operation.

Reliable and designed to last
Enjoy trouble-free use for years to come, even after the warranty expires!

Internal communication
Install up to four tenant sub stations per tenant master station to speak with hands-free or push-to-talk communication using the All Call feature.

Box Set *(select if DA-1DS is the desired entrance station—for 1x1 applications only)*

DBS-1A
Single Tenant Box Set
(includes one DA-1DS door station, one DB-1MD master station, and one PT-1211CA power supply)

Entrance Stations: select 1
(for a la carte applications)

DA-1DS
1-Call Audio Entrance Station
(included with DA-1AS box set)
• Weather resistant
• Direct select button(s)
• Backlit directory
• Connects to door strike
• Hands-free communication
• Surface mount
  6-7/8" H   3-15/16" W   7/8" D

DA-2DS
2-Call Audio Entrance Station
• Weather resistant
• Direct select button(s)
• Backlit directory
• Connects to door strike
• Hands-free communication
• Surface mount
  6-7/8" H   3-15/16" W   7/8" D

DA-4DS
4-Call Audio Entrance Station
• Weather resistant
• Direct select button(s)
• Backlit directory
• Connects to door strike
• Hands-free communication
• Surface mount
  6-7/8" H   3-15/16" W   7/8" D

Tenant Master Station: select up to 4

DB-1MD
Audio Tenant Master Station
(included with DBS-1A box set)
7-5/16" H
3-1/8" W
1-1/16" D

Tenant Sub Station: select up to 4 per tenant master station *(optional)*

DB-1SD
Audio Tenant Sub Station
7-5/16" H
3-1/8" W
1-1/16" D
